The petitioners tried to bring the area for paving before City Council under Paving District No. 2625 Ordinance No. 18139, but were unable to secure the necessary majority of the frontage needed to move into resolution form. The Paving District was repealed March 29, 2004, by Ordinance No. 18329 due to lack of majority. This area qualifies under GAP paving rules and the petitioners request the City Council order the pavement constructed.

Benefitted property owners may qualify for C.D.B.G. funding.
